Upload LMS Integrated or custom tests

### AI Suggests scores (human preview)

Review scores & approve better student outcomes

### Publish grades & reports

Teachers review & publish scores & insights

*"Assessment Intelligence that informs classroom actions"*

# Real Impact, Real Results

Personalized Feedback, Measurable Learning Outcomes

“

Eval AI's question-wise analytics and feedback make my class more focused, and I can give personal attention where it's needed most.

- Mary Donovan, Instructor, St. Mary's (US)

”

“

Eval AI have brought transparency and efficiency into our academic process. It supports teachers, helps us drive learning outcomes in a meaningful way

- Dr. Ebenezar, SVKM School (India)

”

“

With EVALAI, I get instant feedback on every test. It helps me know where I went wrong and how to improve. I feel more confident before exams now!

- Alex, Student

”
